Contracting Officer

Gentlemen:

Enclosed are five copies of Form 1034, Bureau Voucher #5, our invoice #0263. This billing for Contract PF-400 was sent to you last week, but these revised copies are being forwarded since further information for completion of the forms has been given by our Navy Audit Service. The original billing was signed in the blank specified for "Certifying Officer" and we have since been informed that no signature by the Contractor is necessary on these new 1034 forms.

We hope this will be satisfactory. If there is any further information require, please let us know.

Very truly yours, FOIAb3a
